---

## Who should open an eXtreme Saver?

- Anyone looking to maximise their investment
- Personal, Super Funds and Business members

## How does it work?

Deposit new funds into your newly opened eXtreme Saver account during the promotional period and you will earn a variable base rate of interest. PLUS, for the limited period, you will receive the promotional interest rate.

**HINT:** Some members find it useful to diarise their promotional interest period expiry.

---

## Terms and conditions

- Once the promotional period for an individual's eXtreme Saver account expires the rate will revert to the current standard variable base rate.
- Limit of 1 eXtreme Saver account per membership.
- Promotional interest earned on a maximum balance of \$250,000.
- New eXtreme Saver campaigns launched periodically.
